

Week of October 16-20, 2017

World Cultures with Mrs. Salcido

We are still studying the continent of Africa. Tuesday we will have a map quiz over the 9 Central Africa countries labeling them on a map. From Central Africa we move to Northern Africa and then down south to the southern countries of the continent. We should be finished with this unit on Africa at the end of next week.

Make it a great week :)

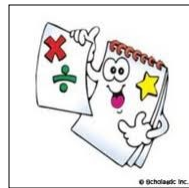

What's Happening in ELAR with Mrs. Walton

This week students will continue working on theme, story elements, and literary devices. We will read *The Legend of Sleepy Hollow*. Students will also have a non-fiction selection to read. Everyone should be reading their book at home!

Friday will be a regular class day for sixth grade in ELA.

Math with Mrs. Cooper

We will finish Module 4 this week doing Applications of Multiplication and Division with Rational Numbers today. We will begin our review on Tuesday and hopefully take a test by Wednesday or Thursday. These multiplication and division skills are math skills we will be using for the rest of the year and for years to come. We will continue to practice them on a regular basis.

Science with Mrs. Miller

This week we will review tools, measurements, and models. I'll use **REMIND** to notify you of homework. There's a new **Quizlet** in 6th grade's science folder. I emailed you the link last week. Go there to study vocabulary by playing games! Many of you are not taking advantage of this study tool. Is that you?

against Immanuel
Lutheran Knights at

4:30 pm in Gause

Let's GO BEARS!

**Computer with
Mrs. Meeks**

This week we will
continue learning about
Excel.

You will
also continue
keyboarding.

Dear Parents and Students,

Time is passing so quickly and what a busy week. This marks the second week of our new six weeks grading period. This is a short grading period—only 5 weeks!!! Make sure your child is keeping up with assignments and tests. Attendance is so very important too. Your child can get so behind with too many absences.

This week for football we are doing our "Pink Out" game on Thursday. Wear your pink out t-shirt to school and to the football game.

Also, the cheerleaders will be selling raffle tickets for \$1.00 each for a chance to win the GJH Bears stainless steel tumbler. Winner will be announced on October 26th.

This week is the Rockdale Fair. Good luck to everyone that will be participating.

Friday October 20th is an early out. Buses will run at 12:30.

Be sure to check the Gause website for more of the latest news and updates from our school, and check the Parent Portal for information about your child's grades and attendance. Have a great week.
